

# MONSTER REMOVAL GUIDE

## Monster ID Form:

In order to properly identify a monster, we need as much information as possible. Your input and research is crucial to MRG. Without it, we can do nothing. Please take the time and fill out the certified MRG Monster ID form and be as thorough as possible. The more descriptive and detailed you are, the better. Get started! Download the official MRG lab work-form, track and study your monster and take copious amounts of notes! After you've filled everything to your liking, draw a picture and submit your findings to MRG. Remember to get your parents permission first! Happy hunting!
